

DIAMOND BASE Self-Retracting BoxGrip™

Applying the Diamond Base SR BoxGrip™

- 1** Position the merchandise on a flat surface. Expand the Diamond Base SR BoxGrip™ by pulling the locking mechanism away from the backing disc. Ensure that the perspex diamonds are centrally positioned on the box sides.

- 2** Place two of the cables over one corner of the box and wrap the other two around the other side. Center the BoxGrip™ locking mechanism on the front of the product with one cable around each side of it.

- 3** To lock and arm the BoxGrip™ depress the lock button until there is a 'click' and confirmation 'beep'.

- 4** To secure, twist the bar firmly in a clockwise direction until cables are taut. Merchandise is now ready to be displayed.

🔧 Releasing the Diamond Base SR BoxGrip™

- 1 Place the box onto the desk mounted detacher with the Diamond Base SR BoxGrip™ underneath. Press the button until there is a 'click' and it pops out.

- 2 Pull away the Diamond Base SR BoxGrip™ from the merchandise and it will retract neatly ready for reuse.
