

Eyewear Tag™

Applying the Eyewear Tag™

- 1** Position the eyewear to be protected on a flat surface along with the open Eyewear Tag™.

AM

RF

- 2** Slide the Eyewear Tag™ onto the end of an arm on the eyewear.

AM

RF

- 3** Slide the tag as far up the arm as possible.

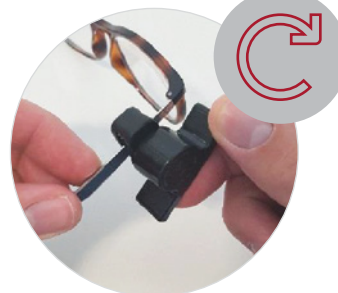

AM

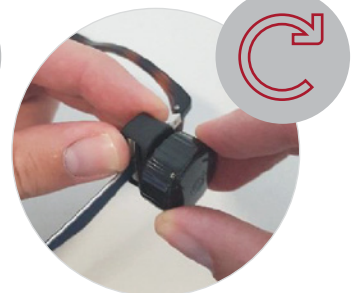

RF

- 4** Twist clockwise until there is a 'click' sound and the tag will not tighten further – it is now secured.
