MEGA*LOC*™ Koala Cap

⚙ Application of the Koala

CE

1 Place the open Koala Cap over the bottle neck.

Koala Tags are colour coded accordingly to lock strength:
STANDARD: Red
CHAMPAGNE: Yellow

2 Press the plunger on the back of the Koala Cap to lock it.

3 The locked Koala Cap should look like this:

🔧 Releasing the Koala

1 To release, place the Koala Cap lock downwards onto the detacher.

2 There will be a 'click' as the lock releases.

3 Lift the bottle out of the Koala Cap.

The Koala Cap can also be applied to boxed liquor:

1 Open the box. Place the opened Koala Cap over the bottle neck.

2 While inside the box, press the plunger to lock the Koala Cap. The item is now secured and the box can be closed and placed on the shelf.
